

TODAY'S GAME

First place in the O-QIFC is on the line this Saturday when the Concordia Stingers host the Bishop's Gaiters at the Loyola stadium at 1:00 p.m. Bishop's, presently ranked second the country, enters the game with a perfect 3-0 record while the tenth-ranked Concordia Stingers are 2-1.

A victory will assure Concordia of at least a tie in the competitive O-QIFC. Concordia upped their record to 2-1 with a 37-2 win over Carleton last Saturday.

Offensively the Gaiters are led by the passing combination of Silvio Martel, Pat Gregory and Tom Hart. Martel is the third leading passer in the league, Gregory leads the circuit in scoring (4TD's for 24 points) and receptions, and Hart ranks second in receiving. Granville Campbell is the team's leading rusher averaging 4.4 yards a carry.

The Gaiters have shone defensively this year. Led by the likes of Derrick Joseph, Derek Schumann, Al Matheson, and Martin Haines, the Gaiters are a talented, experienced squad.

To be effective the Stingers must continue to roll offensively behind the powerful arm and poise of veteran quarterback Ron Aboud. Aboud has thrown to 10 different receivers this year and his play has benefitted from the strong running of league all-star J.F. Héroux (188 yds - 6.1 ave.). Defensively the Stingers have allowed only 23 points in three games, the lowest in the league.

CONCORDIA'S FIRST HOMECOMING

OCTOBER 12 AND 13, 1990

For the first time in its history, Concordia is holding a Homecoming reunion for its alumni, students and friends, and for those of its two founding institutions, Loyola and Sir George Williams. Two days of events and activities are planned for October 12 and 13. In addition to the Homecoming Shrine Bowl football game, there will be banquets, receptions, a concert and Concordia's 15th Birthday Octoberfest Bash at the Old Munich.

For more information, contact Homecoming Coordinator Leisha LeCouvie at (514) 848-3815.

DON'T MISS IT!

THE SHRINE BOWL

The fourth annual **Shrine Bowl** will return with its original combatants as Concordia plays host to the McGill Redmen on Saturday, October 13. The Stingers will be looking to avenge an earlier 10-8 defeat that McGill handed them at Molson Stadium in the annual Shaughnessy Cup.

As fate would have it, the Stingers are looking for their first Bowl victory. Bishop's scored a dramatic come-from-behind victory as they defeated Concordia 15-9 in last year's game. The Gaiters scored 12 unanswered points in the fourth quarter behind the spectacular running of Keith Kelly. Concordia is now 0-3, having lost games to cross-town rival McGill Redmen 31-20 in 1987, and 27-7 the following year.

Those first two Shrine Bowl contests could just have well been renamed the "**Mike Soles - Ron Aboud Show.**" In the 1987 game, Soles ran for 197 yards on 13 carries to account for over half of the Redmen total offense, while Aboud collected 120 yards, including 95 rushing. McGill went on to win eight of their next nine games and a Vanier Cup Championship.

In the 1988 match-up, Soles was the McGill sparkplug once again, scoring 3 touchdowns while Aboud picked up Concordia's only major score of the afternoon.

All net proceeds from the ticket sales of the Shrine Bowl will go to the Montreal Shriners Hospital for Crippled Children on Cedar Avenue.

All the ingredients are there for a great time. Make sure you are a part of it.

The 1990 Shrine Bowl, October 13th, 1 p.m.

BISHOP'S GALLERS

DROP A DOLLAR IN THE LOONIE BIN HELP FIGHT JUVENILE DIABETES

At halftime of today's game, celebrities from the Montreal media and the various student associations of Concordia University will participate in a half-time kick contest to aid the Juvenile Diabetes Foundation of Canada.

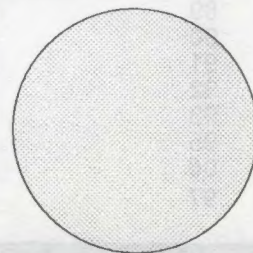

We ask you to support this great cause by dropping a dollar or two into the loonie bins located at the entrances of the stadium. Money raised by the Juvenile Diabetes Foundation Canada goes first to successful Canadian applicants. JDFC funds all qualified projects from Canadian researchers. To the extent that it has money available, JDFC will also fund qualified projects elsewhere in the world.

People often think of diabetes as a "minor" disease. An inconvenient handicap. They think that insulin cures it. The truth, diabetes is one of the leading causes of death by disease in this country and insulin is only a bandage, not a cure.

Currently, diabetes affects more than 1.5 million Canadians, and the number is increasing by more than 6 percent each year. Over 150,000 Canadians have Type 1 or Juvenile Diabetes, the most severe form of the disease, and they must take daily injections of insulin, just to stay alive. Insulin therapy only approximates the body's own insulin-producing abilities and does not prevent the disease from causing on-going damage to the body - damage that often leads to heart attack, nerve damage, stroke, amputations, kidney failure and new blindness.

The Juvenile Diabetes Foundation Canada (JDFC), an affiliate of the Juvenile Diabetes Foundation International, is a volunteer-based, not-for-profit organization whose sole purpose is to raise funds for diabetes research. Founded in 1974, JDFC has grown from one local chapter formed by a group of concerned parents who wanted to find a cure for diabetes in their children's lifetime into a Canada-wide organization with 14 chapters and more than 95,000 supporters.
